GidiGrill

FUSION

This shape represents the fusion of all the different flavours from West Africa , the Caribbean and the rest of the world. It also looks like the letter 'G' for Gidi Grill.

GRILL

The shapes within this icon represent the line markings of a grill and making reference to the traditional Josper Grill.

WATER

These lines relate to the waves and water of the River Tay. Paying homage to the original Gidi Grill Restaurant situated on the water.

PLATE

The square icon makes reference to a modern plate, representing the restaurants modern take on traditional recipes.
